Annual General Meeting - April 24, 2025

Please join us for our Annual General Meeting which will be held at St. Leopold's Church, 4081 Gordon Head Road on April 24, 2025 from 7pm-9pm. Light refreshments will be served. First on the agenda will be a presentation regarding the various developments proposed or underway in Gordon Head. If you are curious about what developments may be going on in your neighbourhood, we would encourage you to join us. GHCA President, Shawn Steele, will then give a brief update on what the community association has been doing over the past year, after which will be the election for board members. At the AGM all positions are up for re-election and new faces are always welcome. Any paid up members of the association are eligible to vote. After board members have been elected we welcome you to take advantage of the space and get to know some of your fellow community members.

Did you know that Saanich is undertaking a process to borrow money?

The process is called an Alternative Approval Process (AAP). There are five separate projects on the table and by using an AAP there is no need for a referendum. We would like you to be aware that the process is underway and that the deadline for responses is 4:30pm on March 19, 2025. If you support the borrowing for all of the proposed projects then no response is required. If you are not in favour, there is a form to be filled out for each project. We encourage you to use the link below to visit the Saanich website to learn more about the process and the proposed projects. Alternately you can paste this link into your browser: <https://www.saanich.ca/EN/main/local-government/alternative-...>
