

SEPTEMBER 2024

*Quarterly  
Newsletter*

Where did summer go?!? For many, September is a return to the routines of school, work, and activities. We hope that everyone found some time to enjoy the summer weather. We certainly had a good turn out at Majestic Park on July 9th for this year's Music in the Park event.

Some things to be aware of this fall are, a public hearing to be held on Tuesday, September 24th @ 7pm regarding the development proposed at 4080 Gordon Head Road (the northwest corner of Gordon Head Road and Feltham), as well as a community meeting that will be hosted by the GHCA in November with a presentation by the Manager of Community Planning. Please see page 2, and our website, for more details about these upcoming events.

As the daylight hours diminish please remember to stay visible while travelling, whatever your chosen mode of transportation. Best wishes for a smooth transition into your fall routines!

IN THIS ISSUE

## Don't Miss It!!

### COMMUNITY MEETING

Monday, Nov 4th

7:00pm

St. Leopold's Church  
4081 Gordon Head Rd

# HIGHLIGHTS

*Click a link below for further information or use the QR code in the bottom right hand corner for links to our website and social media pages*

## Thank you!

Thank you to everyone who came out and enjoyed Music in the Park! Please click the link below for a quick summary of the event.

## Development

This quarter we would like to remind you of the Abstract Development proposed at 4080 Gordon Head Road. There is a Public Hearing scheduled at which council will consider amending the Official Community Plan (OCP) to permit a four story building. The meeting will be held on Tuesday, September 24th at 7pm. Please use the link below to read more about how this development has evolved from a 7 lot subdivision in 2018 to the current proposal for 93 units.

## Community Event

**Monday, November 4, 2024:** Please join us at St. Leopold's Church for a presentation by Cameron Scott, Manager of Community Planning at the District of Saanich. Cameron will present on various topics including neighbourhood hubs, secondary corridors, the Quadra McKenzie Plan, and the Shelbourne Valley Action Plan Update.
